

South Keswick Commuter Parking Lot

Woodbine Avenue and Glenwoods Avenue

The Town of Georgina, The Regional Municipality of York and Metrus Development Inc. are pleased to announce the opening of a new commuter parking lot at the southwest corner of Woodbine Avenue and Glenwoods Avenue in Keswick.

The new South Keswick Commuter Parking Lot allows commuters to save money and protect the environment by parking their cars and carpooling. This will reduce traffic on Woodbine Avenue and Leslie Street during rush hours and provide a new sustainable transportation option in the Town of Georgina.

The commuter parking lot is open 24 hours a day, seven days a week and offers parking free-of-charge. York Region Transit (YRT) shuttle service between the South Keswick Commuter Parking Lot and the East Gwillimbury GO Station is available from this location. Riders with valid GO Train tickets or passes can board the YRT shuttle for only 50 cents. Full details are available at www.yrt.ca.

The Ontario Ministry of Transportation (MTO) plans to complete the extension of Highway 404 to Georgina by late 2012. At that time, a permanent commuter parking lot will be available at Woodbine Avenue and Ravenshoe Road. The South Keswick Commuter Parking Lot will be available until the future completion of the permanent lot.

Smart Commute offers a free carpool matching service at www.carpoolzone.ca.
